Evening Dinner

The aim of the Barcelona Workshop on Global Governance is to provide a venue for the study of global institutions from an institutional and organization design perspective. While most research on international organizations has viewed these entities as the platforms where states - the fundamental units - interact, this forum will focus on international governmental organizations (IGOs) themselves as the building blocks of global governance.

With the support of:

Repsol, La Caixa, Obra Social “la Caixa”

Practical Information

Venue:

February 4: ESADE: Edifici 3, Avda. d’Esplugues 92-96, Barcelona - www.esade.edu
