

TUITION FEES

Master's Programmes. Academic year 2022 – 2023

1. Course fees:

- Master's in International Relations, Master's in International Security, Master's in International Development and Master's in Public Policy €190 per credit. Full course in full time mode (60 credits in 1 year) or part time (60 credits in 2 years).
- Research Master's in International Studies. €190 per credit.
 - **New students** who enrol in the complete two-year program (120 ECTS) will benefit a 25% discount for the second year of their studies.
 - **IBEI Alumni** who enrol in the second year of the Research Master's in International Studies will pay €135 / ECTS for all required credits.
 - **New students who have already successfully completed a master's degree at another university** and, therefore, may request recognition of some credits completed during this first master's program. The credit price of credits that are not recognized and counted for the first year of the Research Master's in International Studies is €190. During their second year of study, students will benefit a 25% discount for a maximum of 60 ECTS.
 - **Credit recognition:**
 - €9.88 for each recognized credit.
 - €54.54 for the study of the academic record for credit recognition.
(IBEI Alumni are exempt from both of the above fees).
- Erasmus Mundus MAPP (Master's Program in Public Policy): €11,000 up to 62 credits. Full course at IBEI according to the Consortium Agreement. Additional credits: €190

Reduced fees may apply as set by specific grant calls launched or promoted by IBEI after free public competition.

2. Application Processing

- Full application processing fee: €30

3. Price per credit (second-time registration, visiting students, enrolment extension) and for the Internship and Exchange Programmes (to guarantee the student's connection with the IBEI and its follow-up):

A. Price per credit

- Price per credit: €190
- Price per credit for extended registration, former students, and second enrolment: €135

B. Exchange Programme

- Final Research Project extension to March 2024: €75 (all students who make an exchange will have to request an extension of the Final Research Project to March 2022).

C. Internship Programme

- Price for curricular internships:
 - Enrolment of 4 credits corresponding to the internship: €60
 - Final Research Project extension to March 2024: €75
- Price for non-curricular internships: €60

D. Final Research Project Extension

- Final Research Project extension to March 2024 (if students request it within the Final Research Project tutor allocation deadline): €75
- Final Research Project extension to September 2024 (if students request it within the Final Research Project tutor allocation deadline): €150
- Extension of the TFM to March 2024 (if the students request it after the Final Research Project tutor allocation deadline): €150. The deadline to apply for the extension of the TFM to March 2024 by paying a fee of €150 is 7 days before the submission of the TFM in the ordinary call of September 2023. Subsequently, a fee of €500 must be paid at any other call.
- Final Research Project extension to September 2024 (if the students request it after the Final Research Project tutor allocation deadline or fail or do not submit the Final Research Project within the ordinary call): €500
