SUMMER SCHOOL

The **Barcelona Summer School of the Mediterranean and the Middle East** is a joint initiative of IBEI, Blanquerna, DIPLOCAT and IEMED. The 2023 edition of the School will consist of a number of interactive courses on the politics and international relations of the Mediterranean and the Middle East, taught by experts of international reputation. These will be complemented by various panel discussions, field trips and cultural events such as visits to the Union for the Mediterranean, FC Barcelona Museum and a movie afternoon, among others.

This integrated structure will enable the programme to cater to the needs of both students and practitioners. Students will have the opportunity to obtain ECTS credits, provided they are recognized by their university. **The events will be free for all registered participants.**

The format will be face-to-face (with the opportunity to follow the courses and events online).

ACADEMIC DIRECTOR

- **Umut Özkırmılı** (Senior Research Fellow, IBEI; Professor, Blanquerna - Universitat Ramon Llull; and Senior Research Associate, CIDOB).
