

VACANCY

Research Technician on data protection and curation (INVESTIGO programme)

The Institut Barcelona d'Estudis Internacionals (IBEI) invites applications for the position of a research technician on data protection and curation, for a 24 months period (starting in September 2023). This position is in the framework of the INVESTIGO programme. The selected candidate will carry out his/her tasks for the whole research projects managed by IBEI, and in an international environment oriented towards competitive research.

Tasks to perform

- To develop tasks and procedures in the areas of data protection and implementation of specific regulations.
- Treatment and curation of data to deposit them in repositories.
- Data transfer and how to use applications for public dissemination.
- Development of monitoring systems and control of ethical criteria in research.

Job requirements

- It will be valued to be in possession of a master's degree
- High level of English language proficiency.
- Not have reached the age of 30 on September 1st, 2023.
- At the start date of the contract, it will be an essential requirement to be registered as unoccupied job seekers in the Public Employment Service of Catalonia.
- At the time of starting the contract, candidates cannot have worked at the Institut Barcelona d'Estudis Internacionals in the previous 6 months.

Competencies and skills

- Dynamism, flexibility, and rapid adaptation to the role
- Proactive and motivated personality
- Ability to work in a team
- Strong organisational capabilities and a collaborative spirit

Annual gross salary: 25,000 – 30,000 euros depending on experience and skills

Applications must be submitted by July 05, 2023

Applications must be submitted through the [APPLICATION FORM](#) and it should include:

- A cover letter.
- A blind CV, it means that CVs in PDF and cover letters cannot contain personal data (name, surname, gender, ethnics...) or include any photo. **CVs that do not meet these requirements will be excluded from the selection process.**
- Documents that prove the requested requirements.

INSTITUT BARCELONA D'ESTUDIS INTERNACIONALS (IBEI)

The Institut Barcelona d'Estudis Internacionals (IBEI) is an inter-university institute, created in 2004, to promote postgraduate training and research in politics and international relations. Aiming to advance the understanding of global challenges facing the world, IBEI is a centre of academic excellence that combines outstanding research with high-quality teaching and career development opportunities. Located at the crossroads between Europe, the Mediterranean and Latin America, Barcelona provides a unique environment to ponder the intricacies of governance, development and security on a global scale.

IBEI is an equal opportunities employer. **IBEI holds the HR Excellence in Research distinction from the European Commission**, which recognises the institute's efforts to create a stimulating and favourable work environment and its commitment to continuously improve human resources policies. IBEI is committed to Open, Transparent and Merit-based recruitment of researchers.
