

ACADEMIC STAFF SURVEY IBEI 2019

FOR ALL MASTERS' PROFESSORS:

TEACHING QUALITY

1. I enjoy teaching my classes at IBEI
2. It is important to update course content to reflect changes in the literature
3. I am satisfied with the design of the curriculum of the degree (division between core courses, electives, etc.)
4. I am satisfied with the intended range and scope of the learning outcomes of the degree
5. I am satisfied with the profile of the students in the degree programme
6. I am satisfied with the teaching methodologies and evaluation strategies
7. I am satisfied with the work and dedication of the students
8. I am satisfied with the learning outcomes obtained by the students
9. I use student evaluations to improve my course design and teaching
10. I would like to receive additional training to improve my teaching skills
11. I use *Turnitin* on coursework submitted to me
12. The opportunity to present my elective course to students at the beginning of semester 1 (Shopping week) was useful
13. In the event of my elective course having more than 25 students: I would be willing to expand the total number of students accepted if requested
14. In the event of my elective course having more than 25 students: I would be willing to teach the class twice per week (two groups)
15. Additional Comments

TEACHING RESOURCES

16. There are sufficient teaching resources available to the students of my classes (books, etc.)
17. The electronic resources of the library work well
18. I am aware that IBEI has recently purchased subscriptions to more journals in the field of IR, Security and Development

19. I would be interested in using more features of MOODLE (blogs, quizzes) as part of my course
20. I am confident using the VIRTUAL ACADEMIC OFFICE (SIGMA) for the administration of my course
21. The classrooms I teach in work well for my needs
22. Additional Comments

ACADEMIC OFFICE

23. The academic office does a good job managing the masters programmes
24. The Coordinators of the masters programmes do a good job
25. Information about the masters programmes is distributed in good time and is clear
26. I know how the process of rescheduling a teaching session (e.g. seminar) works by contacting the Academic Office
27. The guides to SIGMA and MOODLE and for the completion of ACTAS distributed by the Academic Office were useful
28. The number of emails I receive from the Academic Office regarding my teaching obligations is appropriate
29. I am satisfied with the timetabling of the curriculum (groups, schedules, etc.)
30. Additional Comments

FOR IBEI PROFESSORS:

31. *Please indicate if you are:*
 - a. *Exclusively affiliated to IBEI*
 - b. *Primarily affiliated to a university or research institution that is not IBEI*
32. I am happy to be a personal tutor
33. I find being a dissertation supervisor rewarding

34. Additional teaching responsibilities (supervision dissertations, chairing meetings, assessing applications, etc.) are fairly distribute among staff
35. Overall, I have an appropriate level of additional academic responsibilities
36. IT support is efficient and effective
37. Additional Comments
