

TUITION FEES

Master's Programmes. Academic year 2018 – 2019

1. Course fees:

- €10,819.80 for the entire course, full-time (60 credits in 1 year) or part time (60 credits in 2 years), for the Master's in International Relations, the Master's in International Security and the Master's in International Development.
- €11,000 for the entire Erasmus Mundus MAPP (Master's Programme in Public Policy) at IBEI in accordance with the Consortium Agreement.

Reduced fees may apply as set by specific grant calls launched or promoted by IBEI after free public competition.

2. Price per credit (second-time registration, visiting students, enrolment extension) and for the Internship and Exchange Programmes (to guarantee the student's connection with the IBEI and its follow-up):

A. Price per credit

- Price per credit: €180.33
- Price per credit for extended registration, former students, and second enrolment: €135

B. Exchange Programme

- Final Research Project Extension to March 2020: €60 (all students who make an exchange will have to request an extension of the Final Research Project to March 2020).

C. Internship Programme

- Price for curricular internships:
 - Enrolment of 4 credits corresponding to the internship: €60
 - Final Research Project extension to March 2020: €60
- Price for non-curricular internships: €100

D. Final Research Project Extension

- Final Research Project extension to September 2020 (if students request it within the Final Research Project tutor allocation deadline): €100
- Final Research Project extension to September 2020 (if the students request it after the Final Research Project tutor allocation deadline or fail or do not submit the Final Research Project within the ordinary call): €350
