

VACANCY

Research Assistant

The Institut Barcelona d'Estudis Internacionals (IBEI) invites applications for a research assistant position to begin as soon as possible. The successful candidate will collect and analyze existing research about the reactions of third parties to sanctions on the trade in natural resources. The main interest is states and/or industry actors, which are subject to secondary sanctions or have been affected indirectly by international sanctions regimes.

The duties of the research assistant will be to:

- Search for relevant literature about the reactions of third parties to natural resource sanctions. In particular, (s)he will look for information about relevant case studies.
- Summarize the existing research on this topic
- Proofread publications

The skills required for this task are:

- Capacity to read and write in English
- Ability to work independently
- Experience with literature reviews
- Interest in sanctions policies

Conditions:

- The successful candidate will start as soon as possible. The task will end, at the latest, in mid-November.
- The working hours are flexible and can be arranged full-time or part-time.
- The total duration of the contract is 40 hours.
- The salary is commensurate with similar research positions at IBEI.
- There is no need to be physically present in Barcelona.

Applications must be submitted by 14 August 2022

Applications should include:

- A letter of interest
- A current CV that includes the contact information of two referees

The application should be saved as one PDF document and be sent to Martijn Vlaskamp (mvlaskamp@ibeil.org) You can also contact him by email for any questions regarding the position.

INSTITUT BARCELONA D'ESTUDIS INTERNACIONALS (IBEI)

The Institut Barcelona d'Estudis Internacionals (IBEI) is an inter-university institute, created in 2004, to promote postgraduate training and research in politics and international relations. Aiming to advance the understanding of global challenges facing the world, IBEI is a centre of academic excellence that combines outstanding research with high-quality teaching and career development opportunities. Located at the crossroads between Europe, the Mediterranean and Latin America, Barcelona provides a unique environment to ponder the intricacies of governance, development and security on a global scale.

IBEI is an equal opportunities employer. **IBEI holds the HR Excellence in Research distinction from the European Commission**, which recognises the institute's efforts to create a stimulating and favourable work environment and its commitment to continuously improve human resources policies. IBEI is committed to Open, Transparent and Merit-based recruitment of researchers.
